Dear Constituent,

Thank you for contacting me about immigration detention.

It is only right that every case is considered individually and kept under constant review - my constituents would expect nothing less.

However, I am also very clear that the public does expect the Government to maintain a robust system and immigration detention plays a vital role in this.

The Government is continuing to make progress with plans for an Immigration Removal Centre in Hassockfield. I have been reassured the Home Office will continue to consult with local representatives and the wider community over the coming months.

Thank you again for taking the time to contact me.

Yours faithfully,

CHRIS HEATON-HARRIS MP
MEMBER OF PARLIAMENT FOR DAVENTRY
