FAQs

I don't have a smart phone or access to the Internet, how can I vote?

Pubs are encouraged to provide printed vote forms, which can be posted to Chris.

What if postal vote forms arrive after the deadline?

Scanning, photographing and/ or hand delivering vote forms will ensure they are included. Those sent in good time before the deadline will be received and counted!

Do you have to live in the Daventry Constituency to vote?

All customers, regardless of constituency, are entitled to vote in this competition and support our pubs!

I don't have my own email address, can I still vote online?

The online form will require a valid email address, however if a friend or family member gives consent for you to use their email address (even if used for their own vote) this will be accepted.

Can I vote for the same pub, in the same category, multiple times?

*As much as Chris appreciates the enthusiasm, duplicate votes will **not** be counted.*

If you have any questions before or during the competition, please do not hesitate to get in touch via email at chris.heatonharris.mp@parliament.uk
